Master Bracket High Shank

(BLQP-MB)

Instructions

Open a world of new options for techniques using this innovative ankle with your Quilter's Choice Professional. This high shank attaches to your machine, allowing you to attach and use a wider variety of optional snap-on feet.

INSTRUCTIONS:

1. Raise presser foot and raise needle to highest position.
2. Loosen and remove screw using the screwdriver.
3. Remove the all-purpose presser foot.
4. Align the master shank with the presser bar and tighten the screw using the screwdriver.
5. Snap-on the optional presser foot to the shank and release the presser foot by pressing on the lever at the back of the shank.

OPTIONAL FEET:

Use the Master Bracket (BLQP-MB) for these feet:

- Bias Binder (ESG-BB)
- Adjustable Bias Binder (ESG-ABB)
- Hemmer (ESG-HF)
- Quilting Bar (ESG-QB)
- Roller (ESG-RF)
- Zipper (BL-ZF)
- Wide Zipper (BLG-WZF)
