Easily make adjustments for a perfect fit

Bust, Waist and Hips

Adjustment points on the bust, waist and hips for precision sizing and accurate fit.

Padded Polyester Fabric

Easily pin your fabric to the form. Extra padding is on the shoulders for a stronger hold.

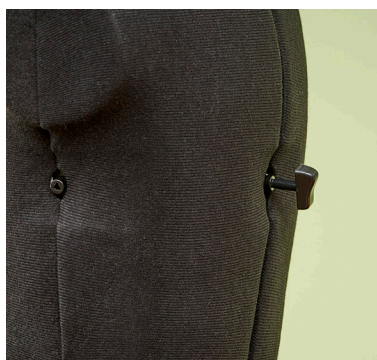

Hem Guide

Slides up and down and locks into place to measure and mark even hems.

Height Adjustment

Quickly adjusts to your full body floor-to-shoulders adjustments.

Swivel Turn Handle

Insert key at each adjustment point and turn it to your specific measurements.

Metal Base

Four-pronged leg adds extra stability and helps prevent tipovers.
