

Instructions | Christmas Trapunto

Trapunto the Floriani Way

1.) Place one layer of Floriani Quilt It Soft Bamboo Batting in the appropriate size hoop. Stitch out color 1 – the placement stitch.

2.) Position 3 layers of Floriani Quilt It Soft Poly Batting over design area. Cover with water soluble topping, tape into place with Floriani Embroidery Perfection Tape. Stitch color 2 – the tackdown stitch.

3.) Remove topping and then remove excess poly batting by burning away the excess from around the tackdown stitch using your Floriani Heat Craft Tool.

4.) Position a piece of Floriani Quilt It Soft Bamboo Batting over the design area and place fabric over the batting, right side up. Stitch colors 3 and 4. (Additional Option: For a finished block, flip your hoop over and tape your fabric to the fleece with the right side facing up.)

5.) Stitch remaining color sequences (3 & 4).

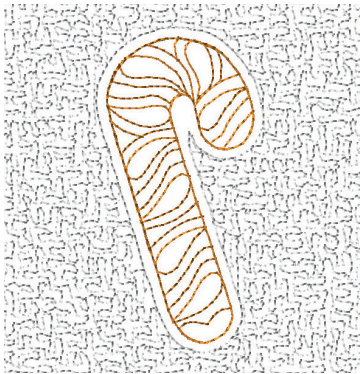

***Note, the same color thread may be used for steps 1-5.
